**Shalimar Srinagar 190025**

**CIRCULAR**

Requests from Faculty members are being frequently received for permission to act as co-supervisors/guides to the students of other Universities/Institutions. Consequent upon revision in intake capacity of various undergraduate/postgraduate degree programmes, from past sometime, the roll of the students in this University has increased manifold. The Competent Authority has desired that the Faculties of SKUAST-K may concentrate and give more time to their own students rather than encouraging/having students from other Universities/ Institutions.

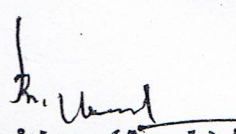

The instructions are accordingly notified for information of all the concerned.
